# Using the Xuno Phone App to find feedback for Tasks

Here are the steps, with screenshots below.

1. In the app menu, tap Timetable
2. Tap any class in the timetable
3. This will show buttons for Overdue, Current or Completed Assignments and Tasks for the class you tapped on
4. If you wish to get to Assignments and Tasks for all classes, tap the word 'Classes' at the top, or to get to a list of classes to choose from, tap the 'v' downward arrow to bring up the Classes menu.
