Issue 25

VISION STATEMENT

Our vision is to empower our students and staff to work together to become active and valued community members. We provide a safe and supportive learning environment, which fosters independent, resilient lifelong learners.

BDS Motto: 'Achieving Excellence Together'

BDS Beliefs and Values: Acting with Integrity and Honesty

HONESTY

We ask that students are not on the school grounds before 8.40am each day as supervision is not provided

29th Yr 7 Immunisation

30th Year 9 VET Taster Day

November

2nd WebEx Parents' Club AGM

3rd **Melbourne Cup Holiday**

9th Year 8 NCTTC Orientation day

10th VCE English Exam

11th Finance Meeting

13th Pyramid Hill Transition Day

18th School Council Meeting.

Principal's Report

Transition

We are hoping to start our transition process very shortly with our Kindergarten students and Pyramid Hill students who will all be attending BDS in 2021. The days for visits will be a little different to other years but we will welcome them all into our school with great enthusiasm.

Athletic Sports

Thanks to Covid-19 and remote learning, our Athletic sports had to be changed until this term. Last week we held the 7-12 sports and on Monday, we held the F-6 sports. What amazing days they were! There was so much energy and enjoyment up on the oval. Many thanks to Brooke Chamberlain, Hayden Rowley and Hannah Hogan for their organisation of the days. To all the staff who helped out running activities and looking after the students – well done! To our Year 8 students who did a fabulous job of running events for the F-6 day – you were all awesome. To

all of our age group champions – such great efforts. These sports were such a good way to feel connected to each other and to get our school life back to some semblance of normality. Well done, all.

VCE Revision Lectures

Most of our Unit 3 and 4 subjects have had revision lectures over the past 10 days. Students have attended WebEx sessions with their teachers and gone through work covering the whole year in preparation for exams which start on November 9th. We wish all our students the best of luck as they approach their final exams.

Snakes

It is that time of year and snakes are on the prowl. Please be careful and watch where you are walking.

Grand Final and Melbourne Cup Day Holidays

Don't forget that Friday 23rd October and Tuesday 3rd November will be public holidays. There will be no school on either of these days.

Year 12 Care Packs

Our Year 12 students, like many across the state, have missed out on many highlights during this, their final year of school. We wanted to let them know that we have been thinking of them and we want to make this a special time now they are back. Many thanks to Tanya Maher-Toose, our Parents' Club, the Agri-Food network and staff for donating the goods that went to all the students. Year 11 students who were here on GAT day also received the little bag from the Agri-Food Network designed as a pick-me-up.

Our school captains proudly display the gifts.

Thanks everyone.

Book Week Parade

BDS will still be having their Book Week parade this year – but with a difference.

Tomorrow, Thursday, the students will be standing out on the Malone Street footpath at 9:00am so that parents and interested members of the community can drive, scoot, ride or jog by to see our extra fabulous costumes.

Entry will be from Victoria Street ONLY as one way traffic is a must for the safety of all.

Don't miss out – come check us out. We will be there for 30 minutes.

Registrations open for teaching professionals to become a tutor to support student learning in 2021

More than 4100 tutors will partner with schools to support student learning

The Victorian Government has committed \$250 million to support pre-service teachers, teachers on leave, teachers working part-time who are looking for more hours, recently retired teachers and casual relief teachers to become a tutor to support every student who has missed learning due to the coronavirus (COVID-19) pandemic.

This is the largest initiative to support individual student learning in the history of the state.

More than 4100 tutors will be recruited to partner with schools.

Victorian teachers have done a remarkable job this year and with the additional support of on-site tutors, these teaching teams can ensure that students have dedicated and individualised support throughout 2021.

Teaching professionals who are interested can now pre-register via the [Department of Education and Training website](#).

Those who pre-register online will be provided with further information via email from the Department in coming weeks.

Registration is open now -

<https://www.education.vic.gov.au/about/careers/teacher/Pages/tutors.aspx>

Parents' Club AGM

The next meeting of the Parents' Club will be the AGM. As per the constitution required by the Department, all office bearer roles will be up for nomination.

The meeting will be **Tuesday 2nd November at 9am via WebEx; see link**

It would be great to see some new faces there! If anyone would like more information on Parents' Club, please contact Maddie Scott or Kelly Henderson

<https://eduvic.webex.com/eduvic/j.php?MTID=me692c3e13aee993513aa61b87813be19>

Meeting Number - 165 144 1093

Canteen News

The last week of Term 2 & 3 menu.

On Wednesdays, the following will be available:- 28th Hot Potato

Monday 2nd of November will see a Term 4 menu (Rolls/Wraps/Sandwiches) only begin.

Thank you

Dawn

BDS Book Fair.

Books are on display for students to preview; we will be encouraging students to fill out a wish list of books that they would like to purchase. Due to the restrictions that have been placed on the school due to Covid, parents will not be able to view our books this year. However, we ask that you perhaps consider purchasing a book (BDS receives a commission) using the items indicated on your student's wish list. Students can pay by cash or books can be prepaid online. Please highlight the book/s you have chosen on the wish list, fill in the receipt number and return the list to the school library and the book/s will be given to your child. (Numbers of books are limited, but we are able to order ones that are popular.)

We have compiled a handout of some of the books we have on hand if you would like it emailed out, please email the school and it will be sent out. Below is an example of what it will show. Further research can be done at www.scholastic.com.au

Books are priced from \$5.00 to \$25.00, most are in the \$10.00 - \$20.00 range. Also available are large posters for \$4.00, small poster for \$2.00 and a range of pens, pencils and erasers, prices range from \$1.00 to \$8.00

Non-Fiction \$20.00 Hardcover

Year 5's Interesting Melbourne Fact of the Week

This term in Integrated Studies, Year 5 are learning about the History of Melbourne. To start our unit – we researched the most interesting Melbourne facts we could find. Each week we're going to share one of our interesting facts. This week's fact is:

**“Around 90 TONNES of dog poo is left on the streets of Melbourne every day.”
YUCK!**

Year 7 – 12 House Athletics

Wednesday last week the Year 7 – 12 students dressed up in their house colours and enjoyed a day participating in events, socialising with their peers and challenging each other with some competitive spirit. It was great to see the Year 12 students in a range of coloured dress ups including nuns, hot chillis and a blue frocked princess. A special thank you to all senior students who offered their time to help with events as this ensured a successful day, with time for breaks in the shade to recuperate and refuel.

From the first announcement of house team scores halfway through the events, the Gungaroo team members were determined to keep their lead and hopefully take out victory on the day as no one could remember an athletics win. A check of the shield revealed that Gungaroo had won in 2013

Results for the day were Gungaroo 1st, Wakooka 2nd, Maroochy 3rd. There was only 19 points between first and second place.

Congratulations to Izzy Coutts and Sophie Cockerell who broke javelin records on the day.

Primary Athletics Sports

Yesterday the F-6 students took part in the Primary Athletics Sports. It was a great day with all students participating to the best of their ability, supporting their team/peers and, to top it off, the weather was just glorious. Everyone looked like they were having fun which was good to see. We had 6 students receive a perfect 24/24 for the day and they were: Deacon Hird, Cooper Gooding, Sophie Barraclough, Finlay Arnold, Abby Potter and Connor McNally- Well Done!! All students should be congratulated for their efforts.

A big thank you to the Year 8's for their assistance in setting up and running the field events for the day.

This ensured the day ran smoothly along with the help from the F-6 staff members.

COMMUNITY NOTICES

Tennis

Social Saturday tennis continues for the next three weeks. All abilities welcome. Names need to be in to Alister McDougal or Kristen Gooding by 12pm on the Saturday.

Competition tennis will commence at this stage on November 21st. Junior and Senior competition available. Junior coaching on Saturdays will also be offered by local coaches. Names need to be in by November 8th.

Benefits of Baking

Kids love cooking and there are many extra skills that they will use and develop while baking a cake or cooking the family dinner.

Increases Reading, Math & Science skills

Cooking involves a lot of reading, math and science, whether it is learning new words on the recipe list, understanding fractions for measuring cups or understanding when and why we use certain flours or raising agents. There are lots of lessons to share with your child during the cooking process.

Improves coordination

From measuring cups of flour and sugar, to cracking and whisking eggs, or spooning mixture into patty pans, there are lots of different coordination skills kids will use while baking. Although it is messy, it is good for them to be able to try do these things themselves to help improve these skills.

Promotes life skills

Cooking is not just about making food. It is also about responsibility, planning and learning to clean up afterwards. For younger kids you can talk them through this process. For older children or teenagers, it is a good opportunity for them to begin to practice for life out of the home. Encourage them to be a part of family meal planning and shopping lists as well as the cooking process.

Northern District Community Health are celebrating the annual Agriculture Show baking by hosting a Show Baking Essentials virtual show baking competition online on 29th October at 7:30pm. Go to www.ndch.org.au/events to register.

Be a part of the inaugural

Have your say, be heard, get involved, meet new people, learn new skills, and make a difference...

The North Central LLEN (NCLLEN) is looking for energetic, self-motivated people between the ages of 15 and 21 who live, work or study within the Buloke Shire Council, Loddon Shire Council and St Arnaud in the Northern Grampians Shire Council to join our inaugural Youth Advisory Committee.

We are seeking up to 24 local young people (for an initial 12 month period) who are passionate about many different areas of community life to represent the views and interests of their peers, and to provide the opportunity to build positive connections with each other and the wider community.

The Committee will hear and respond to the voice of young people in the north central region - initially as we begin the recovery process from Covid-19 and the economic and wellbeing impacts that have, and will continue to arise.

This is a fantastic opportunity to build on - and expand - your skills in leadership, communication, public speaking, problem solving, teamwork and governance and at the same time making a difference by helping us to create opportunities for all children and young people to be on their way to success in education, work and life.

As a collective, the Youth Advisory Council will:

- Provide input and advice on how we can navigate towards the new "Covid normal" as well as other NCLLEN programs and projects
- Have discussions about issues that are of concern to young people and advocate for change
- Provide opportunities for young people to respond to local/state/federal government policies that impact them and their communities
- Develop and implement projects that will help young people living in the north central region
- Participate in the Victorian Youth Parliament initiative
- Provide a social opportunity for young people from across a broad range of north central communities to come together as a network

Expressions of Interest are now open (closing on Sunday 1 November 2020) and can be downloaded from the Youth Advisory Council information page on our website - www.ncllen.org.au.

The Youth Council's inaugural gathering will take place as part of National Youth Week on Sunday 15 November.

For more information contact Julie at the NCLLEN on 0409 983 270 or email ncllen@ncllen.org.au.

Creative Careers

Thursday 22nd October 4:30 pm - 5:15 pm

If you're a creative teen thinking about future study options or a career in the arts, or wondering if your creative talents are still relevant, this talk's for you. Our panelists will discuss the value and flexibility of creative skills and critical thinking and they'll talk frankly about the risks and difficulties of careers in the arts, too.

What do creative careers look like today? How do artists and arts workers juggle their creative pursuits with their need to make a living? Is it possible the economic and social upheavals in the post-Covid world will change the way we think about the creative industries?

Join us for a practical talk about dreams, back-up plans and creative futures.

Find out more:

www.wheelercentre.com/events/creative-careers?promo=3767

Virtual BiG Day In

Wednesday 21st & Wednesday 28th October
11:00 am - 12:00 pm

The BiG Day In events are aimed at senior secondary school and university students interested in careers in ICT and technology. BiG Day In helps students obtain

more information about ICT and technology careers, and hopefully helps them make a better informed decision about their future.

Find out more:

ATT: YEAR 11 STUDENTS

La Trobe | Achieve Plus Webinar

Monday 26th October 4:00 pm - 5:00 pm

Looking for a challenge for Year 12 next year? Study a pair of university subjects in Year 12 with Achieve Plus at La Trobe.

Achieve Plus provides an academic challenge whilst you engage in university-style teaching and learning. Completing an extension studies program can improve your study skills overall, and many students notice an improvement in their VCE studies.

Study a pair of subjects in either a Health, Law, Business or Social Science stream and gain credit for these subjects towards your La Trobe degree.

Find out more: www.latrobe.edu.au/events/all/achieve-plus-get-the-university-experience-in-year-12

University of Melbourne | Hansen Scholarship Program Information Session

Wednesday 21st October 5:00 pm - 6:00 pm

Current Year 11 students and their families are invited to an online information session to learn more about the Hansen Scholarship Program benefits and how to apply with a competitive application.

The application process will open in February 2021 for Year 12 students applying for full-time study in 2022 at Melbourne.

The Hansen Scholarship Program is our most generous scholarship, bringing together an unrivalled package of benefits for high-achieving students who may otherwise struggle to access higher education.

20 exceptional students will be awarded accommodation, an allowance, and financial and personal support throughout their undergraduate degree at Melbourne.

You could look forward to:

- Joining a supportive community of high achievers from diverse backgrounds
- Making powerful new connections through mentoring with industry leaders
- Sponsorship and support from the program patron Ms Jane Hansen AO
- Next steps funding of up to \$20,000 after you complete your degree
- The time and resources to develop personally and the guidance to make informed study and career choices

Full details on eligibility and benefits for the Hansen Scholarship Program are available on our scholarships website.

Find out more:

<https://study.unimelb.edu.au/connect-with-us/events-for-future-students/all-events-listing/hansen-scholarship-program-information-session>

University of Melbourne Telstra Technology & Innovation Scholarship

Value: Up to \$100,000 AUD

Open/Closing Dates: September 16, 2020 - November 8, 2020

Keen to support future technologists and innovators, Telstra is offering two scholarships to high-achieving commencing undergraduate students who are female or of Indigenous descent. The scholarship winners will be supported through a study pathway from undergraduate Bachelor degree to completion of their Engineering or IT masters.

To be eligible for this scholarship, you need to:

- be either a female student OR a student of Indigenous Australian descent
- be an Australian citizen or permanent resident, with preference given to students from a rural or regional area of Australia
- be currently enrolled in Australian Year 12 or the final year of the International Baccalaureate in Australia
- apply through VTAC for a 2021 University of Melbourne undergraduate course with an engineering or IT major or breadth sequence that will lead to either:
 - o the Master of Engineering
 - o the Master of Information Systems, or
 - o the Master of Information Technology
- submit an online application addressing your career aspirations, evidence of community leadership and involvement in extracurricular activities.

For further information visit:

<https://scholarships.unimelb.edu.au/awards/telstra-technology-and-innovation-scholarships>
