MAY

- 7th Working Bee
- 7th Whole School Assembly
- 10th-14th NAPLAN
- 10th & 11th Arapiles Camp
- 11th F-6 Gymnastics
- 18th F-6 Gymnastics
- 24th & 25th Year 8 Granites Camp
- 25th-27th Driver Ed
- 25th F-6 Gymnastics

JUNE

- 8th – 10th VCE Exams
- 9th GAT
- 11th **F-6 only** pupil free day
- 14th Queen's Birthday Holiday
- 15th Pupil Free day all students
- 18th Yr 9 Try a VET day NCTTC
- 21st – 25th Year 11 Trip

Principal's Report

Report Writing Day/Correction day and professional development

Friday 11th June will see all classes continue for Years 7-12 students but all students in F-6 do not come to school, as their teachers will be involved with a correction day.

Tuesday 15th June – no students are at school (all F-6 staff are involved with professional development and 7-12 staff are having their Correction Day).

Student Attitude Survey

The Student Survey took place last Friday. All students from Years 4-12 were given the opportunity to express opinions on their learning at our school. Results will be shared once they come out. We will be using the data to reflect on student voice in our school and look at developing ways in which we can involve all students in decision making.

NAPLAN

The 2021 NAPLAN tests will be conducted during Week 4 (Tuesday 11th – Friday 14th May). All students in Years 3, 5, 7 and 9 have been given a parent information leaflet that explains NAPLAN. If you have

any concerns or queries, please call the school or go online to www.nap.edu.au. This year, NAPLAN will be done online. Students are requested to bring their own headphones or earbuds for the duration of this week to help with completion of the tests.

Whole School Assembly

We will have our first whole school assembly this Friday (7th May) starting at 1.55pm in the Stadium. Parents/carers are welcome to attend. Assemblies usually last for about 15 minutes.

Lee-Anne Sherwell

Principal

Principal's Availability Over the Next Week

Thursday	Friday	Monday	Tuesday	Wednesday
At School				

PARENTS’ CLUB THERMOMIX RAFFLE.

The Parents’ Club Thermomix raffle is in its final week, if you still would like to purchase a ticket or two, make sure you get it before Monday 10th May.

You can purchase tickets at Boort Newsagency or www.trybooking.com/BPCFW

Raffle will be drawn Monday 17th May.

Thank you!

Pie Order
 Please find at the end of this newsletter a pie order form or a hard copy is available at the school office; orders need to be back by Friday, 28th May for delivery at the Sports Ground Club Rooms on Thursday, 10th June from 3.30pm.

Vanilla Slice Order
 We have had some requests for Sharp’s Bakery Vanilla Slice along with the Pie Drive, so we have contacted Sharp’s Bakery and they are happy for us to add the Vanilla Slice too. Each slice of Vanilla Slice will be \$4.30.
 Hard copies are available at the office or an order form is attached at the end of the newsletter with the pie order forms.

Year 9 NAPLAN certificates of achievement

A new feature of the NAPLAN assessment is being launched this year, with the award of Year 9 Certificates of Achievement.

The new certificates aim to celebrate and recognise the importance of both excellence and learning growth.

Beginning in 2021, Year 9 students who achieve outstanding results or who significantly improve their results in NAPLAN tests will receive a NAPLAN Certificate of Achievement.

The certificates will be awarded for two categories of achievement:

* Category one: the achievement of excellence through getting a result in the top band for reading or numeracy, or both.

* Category two: the achievement of outstanding learning growth through improve by two or more bands between the NAPLAN Year 7 and Year 9 tests for reading or numeracy, or both. For more information about the new certificate and measures for learning growth, refer to Year 9 NAPLAN certificates of achievement on the Department’s website.

2021 NAPLAN

RESPECT THE BADGE *STUDENT OF THE MONTH*

Deklan King

Blue Light Victoria and Victoria Police are proud to present the Respect the Badge Award to Primary School communities across metropolitan and rural Victoria.

The monthly award aims to acknowledge and promote positive values and behaviours in young people.

The nominated student:

- *must possess a respectful and inclusive attitude within the classroom and in the playground.
- *must be trustworthy and can be relied on to do what they promise.
- *should display civic responsibilities at school.
- *should have positive school attendance.

Deklan is a bright and bubbly class member, who is always willing to help out his friends, classmates and his teacher. He greets everyone with a happy face and a cheeky grin, and is willing to give anything a go! Deklan is kind and caring, and always looks out for the people he cares about.

CONGRATULATIONS DEKLAN!

Local Leading Senior Constable Ray Stoman presented Deklan with his award at the Silver Assembly on Friday.

Working Bees 2021

Our first working bee for a year will be held after school on Friday 7th May from 3.30pm to 5.00pm. There will be specific areas to landscape and weed, cleaning of the buildings and surrounds, and maintenance of sandpits and playgrounds. We need a ute / trailer to remove some existing landscaping, with crowbars, heavy shovels and whipper snippers welcome. We invite rostered families and students to come in, work together and have some fun as we make the school a better place to be. Drinks and afternoon tea supplied!

F-6 Incursion: The Bully is Back!

Last week, F-6 students were very lucky to have the third installment of the Bullying series, focused on Resilience. Throughout the show, we learn more about Alex the bully and his personal struggles outside of school, and how his new friend Poppy aids him to seek the help he needs and supports him to be resilient. Poppy and Alex, with the help of Sensei, also showed us how the three sources of resilience give us different tools to be resilient.

These fall under three key areas;

I have:

- People around me I trust and who love me, no matter what.
- People who set limits for me so I know when to stop before there is danger or trouble.
- People who show me how to do things right by the way they do things.
- People who help me when I am sick, in danger or need to learn

I am:

- A person people can like and love
- Glad to do nice things for others and show my concern.
- Respectful of myself and others.
- Willing to be responsible for what I do.
- Sure things will be all right.

I can:

- Talk to others about things that frighten me or bother me.
- Find ways to solve problems that I face
- Control myself when I feel like doing something not right or dangerous.
- Figure out when it is a good time to talk to someone or take action.
- Find someone to help me when I need it.

Poppy and Alex go on to explain how a resilient child does not need all these features to be resilient, but one is not enough. Resilience results from a balanced combination of these features. Poppy realises that to begin with, Alex has none of the sources to help him be resilient – but with her help, he gets there in the end!

Student of the Week

F/1	Noah Carey	For working hard to listen to instructions.
	Kyan Hinschen	For being resilient in the playground.
Year 1/2	Zoey Gooding	For fantastic work counting on.
	Ava Davidson	For always being willing to share her ideas.
	Scarlett Crilly	For excellent counting on from a given number.
Year 2/3	Cooper McLaughlin	For practising perfect persuasive writing.
	Connor McNally	For sensational subtraction.
Year 4/5	Mason Young	For always being so helpful to Miss Mac and his classmates.
	Asha Rye	For his responsibility and exceptional leadership qualities.
	Liam King	For working hard to achieve his learning goals for Term 2.
Year 5/6	Owen Byrne	For their assistance and encouragement of others at the Winter Sports.
	Anna Lanyon	
	Laci Streader	
	Tristen Zanker	

Ambulance Victoria Visit

On Monday this week, the Year 8 Outdoor Education class were fortunate to have three members of Ambulance Victoria visit to demonstrate CPR skills and how to use an AED. Students were broken into small groups and were able to practice their skills on different mannequins under their guidance. It was great experience to use the ZOLL training manikin, which indicated to students if their depth and rate of compressions were efficient. Feedback from students was that it was 'very cool to watch the compression rhythm and have the mannequin tell you how you were going while undertaking "CPR"'.

Undertaking CPR on an infant was scary, but it was good to learn how to and how to place the AED pads on an infant. Special thanks to Josh, the Loddon Paramedic Community Support Coordinator and ACO Jacob for giving up their time to travel to Boort to provide this vital life skill session. Thank you to Boort member Fiona Cockerell for her assistance on the day and in organising this experience for the students.

AROUND THE ROOMS

This week we are visiting...

Foundation & Year 1

This term our Integrated Studies topic is mini beasts. We are been exploring what mini beasts are and where they live. We have already seen many mini beasts around our school including ants, butterflies, caterpillars and flies!

Year 8 Outdoor Education Bike Program

The Year 8's are currently undertaking a bike education program as part of their Outdoor Education studies in a lead up to an overnight camp to the Granites. Bike riding skills, bike maintenance, learning about the different parts of a bike, how to change a tyre and group riding techniques have been addressed theoretically and practically. The class would like to publicly thank Bevan Spencer who has visited each Monday to offer his expertise in these areas, demonstrating his wealth of knowledge and experience. Community links are an important aspect of our schooling and the connectedness has been a valuable asset to the class. Thank you Bevan for volunteering your time each week.

Year 3-6 Winter Sport

On Thursday 29th April, Year 3, 4, 5 and 6 students participated in the Calder Winter Sports at Boort Park. Students were able to choose which sport they participated in for the day, choosing between Netball, AFL 9's, Soccer, Minkey and Newcomb. Students were mixed to form teams with other schools in our area to create a tournament. Big congratulations to all students involved who represented our school very well with great enthusiasm and sportsmanship. It was great to see their skills and teamwork improving over the day.

Thank you must go to all staff, senior students and parents who came down to assist with the operations and support on the day and also Boort Park for allowing us to use their facilities to host this exciting day.
Hayden Rowley & Chris Hatcher

This is how VET can prepare you for the jobs of the future

Technology and globalisation are changing the jobs we do.

To make sure VET graduates are ready for these changes, industry and government work together to make sure VET courses give graduates the skills and knowledge that employers need – now and in the future.

VET prepares you to be an adaptable worker by developing important employability skills.

On average, working or training in one job will provide you with the skills for 13 other jobs (The Foundation for Young Australians 2017).

VET can lead to careers in the fastest growing industries.

Industries with the most new jobs created by 2022 (Labour Market Information Portal 2017):

- health care and social assistance
- professional, scientific and technical services
- construction
- education and training
- accommodation and food services

VET can lead to employment in the fastest growing careers.

Careers with the most new jobs by 2022 (Labour Market Information Portal 2017):

- aged care
- disability care
- nursing
- early childhood education

Starting VET at secondary school can give you a head start on joining the workforce with a qualification directly linked to employment.

90% of all new jobs will require post-school education (Labour Market Information Portal 2017).

VET gives you the opportunity to get experience in the workplace and show employers that you have the right attitude towards work.

The two best ways to improve your job prospects are having experience in the workplace and a good attitude towards work (Australian Government Department of Employment n.d.).

84% of VET graduates achieved their goal for training (NCVER 2017):

- to get a job
- to develop or start their own business
- to try for a different career
- to get a better job or promotion
- it was a requirement of their job
- to gain extra skills for their current job
- as further study to get into another course of study
- as personal development

92% of VET graduates recommended their training (NCVER 2017).

Top to bottom: Health, Laboratory Skills, Building and Construction

H3.3 /T3.2 Bendigo Excursion

On Monday 19th April (1st day of Term 2) the H3.3 Exercise Science and T3.2 Tech & Textiles classes travelled to Bendigo to engage in subject activities to further their knowledge in biomechanics and textiles. Students visited the Mary Quant Fashion exhibition at the Bendigo Art Gallery gaining an understanding of the fashion trends that originated from the brilliance of Mary Quant. Colour, PVC, coloured tights and vibrant dancing cat walks. Students immersed themselves into the history of where a lot of the fashion that we see today originated.

After this visited Bubble Soccer at the Major League Sports Centre looking at the applications of Newton's Laws in a safe, fun and exhausting environment. Students revelled in crashing into each other and the subsequent somersaults that followed. This was then followed by investigating the forces and responses when trampolining at Jumpz and how our body position affected each rebound.

Students had a great day out and it was a great way to start Term 2.

Hayden Rowley and Merryn Rees

Victorian Premiers' Reading Challenge

The Victorian Premiers' Reading Challenge is now open and Boort District School is excited to be participating. The PRC application offers a range of exciting features including:

- access to a library catalogue (including book images and blurbs)
- a modern user-friendly interface
- the option for students to mark books as a favourite, give them a star rating or complete a book review

The Challenge is open to all Victorian children from birth to Year 10 in recognition of the importance of reading for literacy development. It is not a competition; but a personal challenge for children to read a set number of books by 17 September 2021.

Children from Foundation to Year 2 are encouraged to read or 'experience' 30 books with their parents and teachers. Children from Year 3 to Year 10 are challenged to read 15 books.

All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and former Premiers. Students at Boort District School will be given a book prize for completing the challenge.

To read the Premier's letter to parents, view the booklist and for more information about the Victorian Premiers' Reading Challenge, visit: www.education.vic.gov.au/prc

If your child/ren would like to participate in the 2021 Premiers' reading challenge, can you please complete the section below and return it to the school office. You will then be issued with a personal online passcode and emailed information on how to use the online entering system, or we can give you a Challenge entry sheet, which when complete needs to be returned to the school and we will enter them for you.

www.deakin.edu.au/about-deakin/events

Science Course Information Webinar

Tuesday 4th May 6:00pm – 7:00pm

Discover how science can play a key role in finding solutions to world issues. From the impact of climate change and reducing our carbon footprint to stem cell research and forensic crime, find out where a career in science can lead you.

Register now for our course information webinar and hear about our range of science degrees, from biomedical science to zoology and animal science. Studying science at Deakin means you'll graduate ready for a diverse and rewarding career. You'll learn in industry-leading facilities with the latest technology, get hands-on training in our world-class labs, test your findings in real-world settings and gain industry experience through work-integrated learning opportunities embedded throughout our degrees.

Environmental Course Information Webinar

Wednesday 5th May 6:00pm – 7:00pm

If you're dreaming of a career that will truly enable you to make a positive impact, start your journey with an environment course at Deakin. With a focus on practical experience and work-ready outcomes, all our courses also include a professional placement unit, giving you the opportunity to get your foot in the door at some of the most high-profile organisations in the industry. Register now for our course information webinar and hear about our courses in:

- Bachelor of Environmental Science (Environmental Management and Sustainability)
- Bachelor of Environmental Science (Marine Biology)
- Bachelor of Environmental Science (Wildlife and Conservation Biology).

If you're passionate about protecting natural resources and improving the health of the planet, Deakin's environment courses are for you. Immerse yourself in nature from your first year through regular field trips and graduate ready to develop conservation solutions that preserve our environment.

Community News

Radio Astronomy - The Invisible Universe

A free opportunity for all students.

The VSSEC Radio Telescope is now available to **all** students in government secondary schools in Victoria.

Take complete control of the telescope to view objects of your choice.

Work by yourself, with a group of friends, or your entire class.

This is the only radio telescope in the world exclusively for school students.

And it's free to use!

Operate the telescope from your own home after school and at weekends.

Radio telescopes work day and night and can see through cloudy skies so time and weather don't matter.

Use the telescope to reveal the hydrogen in space, invisible to human eyes.

View hydrogen clouds (nebulae) in the Milky Way Galaxy, remnants of supernovas (exploding stars) and the centre of the Milky Way.

VSSEC astronomers are here to help.

To book a session and for all the information you need contact Ian Christie at VSSEC

ian.christie@vssec.vic.edu.au

Australian Young Writer's

This program is part of the Victorian Challenge and Enrichment Series, a new series of FREE high-quality, extension activities for Victorian students.

We are continuing to invite parents to fill in a quick survey to help inform our future school newsletter insert. We have already had parents from St Joseph's Kerang, Barham Public School and Kerang South provide valuable feedback. That feedback included the suggestion to include more information regarding NDCH services available. Therefore this week we are promoting the NDCH service booklet, this booklet provides information for parents and schools about the services we provide.

Below I have included The Australian Young Writers Creative Writing Competition for National Mental Health Month. More information at <https://www.mhfa.org.au/CMS/australian-young-writers-creative-writing-competition>

Australian Young Writer's
Creative Writing Competition 2021

Theme: Post-pandemic recovery challenges and resilience

You can write a play, a poem, or story... the style is up to you. However, your creative piece should be about what you feel, think of, or have experienced when it comes to mental health. If you want to write about a mental health problem or mental illness, then you may do so, however, we do also encourage you to take the opportunity provided to promote positive mental health and wellbeing.

Winning Prizes & Awards

A winner for each of the following categories will be selected from each state:

Upper Primary (Years 5 - 6):	\$100
Lower Secondary (Years 7 - 9):	\$125
Upper Secondary (Years 10 - 12):	\$150

Submit your creative piece by 11:59 pm, July 31st, 2021

Form link:
<https://www.mhfa.org.au/CMS/australian-young-writers-creative-writing-competition>

FRUIT TREE FUNDRAISER.

Our annual Fruit and ornamental Tree Fundraiser is on again and we are looking forward to providing healthy strong trees to our local Boort community. Once again the Boort Yando Cricket Club will be responsible for organizing the fundraiser. All money raised will go towards the school oval, cricket amenities and surrounding landscape that will provide benefit for both our cricket and school communities.

We have a quick turn-around with orders due back in by Monday 24th May. Trees to be delivered in mid/late July

Thanks
Kim and Jo

NDCH SERVICES

NDCH offer a range of health services. To find out more about the range of services we offer click on the link below to access our *Service Information* booklet.

We offer Allied Health services.

They include:
