### **Principal's Report**

#### Staffing

This Friday will see the end of our tutoring programme and we extend huge thanks and much appreciation to Jenny Ritchie and Kylie Cummins for their work with our students over this semester. Pam Adams is taking Long Service Leave for the first six weeks of Term 3 and her classroom will be taken over by Kylie Cummins. Both Sarah Featherby and April Griffiths will be absent for the first few days of Term 3.

#### Reports

All reports will be handed to students on Friday before they finish school for the term. For Year 10 students on Work Experience, we

will give reports to siblings. Other reports can be collected from the general office after 2.30pm on Friday 25<sup>th</sup> June.

#### Assembly

We will be holding a final assembly for the term at 2pm this Friday in the Stadium. Unfortunately, we are not able to invite parents and family to assemblies at this time. I have attached a current Covid-safe list with changes to some things due to the easing of restrictions. See the end of this newsletter.

#### QR Code Check-In

It has now been mandatory for schools to use a QR code check-in system. You do not need to check-in if you are dropping off or picking up students but you will need to come into the Office and check-in if you are entering buildings for meetings, incursions etc. We also have the traditional written book as well.

#### Holidays

The staff hope everyone has a happy and safe holiday. Remember to continue your hygiene focus and take care if you travel. All students will return to school on Monday 12<sup>th</sup> July.

Lee-Anne Sherwell  
Principal

## FINANCIAL ASSISTANCE

### INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

#### CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students

#### HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from the website below.

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments**; your child has started or changed schools this year.
- **changed family circumstances**; such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Check with the school office if you are unsure.

#### MORE INFORMATION

For more information about CSEF visit:

QR code check ins are required to be used by:

- All visitors on school site (including contractors, external Department staff and building and maintenance staff)
- All parents who enter school buildings when on school site  
Parents just dropping off or picking up, do not need to use the QR code.

QR code check-in can be done at the General Office or Stadium.

- Camps and overnight stays can take place across Victoria with no travel restrictions. Multiple schools can attend camps providing school groups remain separated and do not share common facilities at the same time. Excursions are permitted throughout Victoria. There are no restrictions on travel between metropolitan Melbourne and regional Victoria.
- Outdoor education including excursions and overnight stays, for the purpose of outdoor education are permitted. Programs should only operate for staff and student from single schools.
- Incursions are permitted at this time. Record keeping obligations must be adhered to by any visitors attending the school for the purpose of an incursion.
- Interschool activities are permitted at this time. Record keeping obligations must be adhered to by staff and students visiting from other schools.

- Community groups can use school facilities when the use complies with permitted activity in the community.
- School tours for prospective students and their families can recommence. Groups should not exceed current public gathering limits. Density limits must be applied to any spaces accessed and record keeping obligations must be adhered to by any visitors attending the school for the purpose of a school tour.
- Non-essential visitors can attend school sites however, density limits must be applied to any spaces accessed and record keeping obligations must be adhered to by any visitors attending the school site.
- School events subject to the Public Event's Framework are suspended, unless permitted via the PEF approval pathway, including school open days.
- Non-essential meetings, gatherings and assemblies (that are attended by individuals other than staff and students) should be deferred or held remotely until Term 3

Additional measures to promote COVIDSafe activities should continue to be implemented at this time, including:

- limiting school access to outside visitors where possible
- reduce mixing between groups
- create workforce bubbles\*
