Principal Report:

School Fete

All school community members have a role to play in supporting the learning opportunities and contributing to the educational goals of our students. By being connected, there is shared responsibility and an overall increase in the learning opportunities for our students. On Friday, I had the pleasure of meeting a large number of families and community members for the first time during our school fete. Our school fete was a wonderful event, not just for our students but for the entire Boort community and surrounding areas. Thank you once again to our Parents' Club for the organisation of our fete.

School Uniform

It is very pleasing to see our students in full school uniform. A uniform dress code reinforces in students a pride in their own appearance, instils

recognition of themselves as an integral part of the school community and assists in developing pride in representing their school. A reminder that families can access our school uniform policy on our school website.

I am also seeking interest from families and students to join our uniform committee. If you would like further information about our uniform committee, please contact our office on 5455 2201

NAPLAN

NAPLAN (National Assessment Program – Literacy and Numeracy) is a national assessment for students in Years 3, 5, 7 and 9. NAPLAN is conducted in Term 1 and NAPLAN testing will commence on Wednesday 13th March 2024.

International Women's Day Friday 8th March I would like to take this opportunity to acknowledge and celebrate women's achievements and gender equality amongst students, staff, family and friends of our school community.

Women make up 76% of the government teaching workforce, and all our dedicated female staff members are integral to the continued success of our college and community.

Football

It is with great excitement that the 2024 AFL competition has begun. I look forward in watching Collingwood reign supreme and win back-to-back premierships this year.

Go Pies!

Principal

On Monday 4th March we had three students travel to Bendigo to compete in the Loddon Mallee Region Swimming event. Victoria, Scarlett and Tyla each competed in two individual events on the day, swimming against some very tough competition. This is a fantastic achievement to represent Boort District School at this level and we congratulate these students on their efforts. A big thank you to the parents for transporting students to the event and for their support on the day.

READING HELPERS

Thank you to our wonderful parents/carers that volunteer their time for our kids.

Boort District School FETE 2024!!

After 6 years, Boort District School Parents' Club finally brought the Fete back last Friday. It was wonderful to see the kids all excited as they day went on, even though some didn't know what a fete was. It was a great night where the school community came together with the local community.

The class activities were great to see around the grounds, it was great to see a variety from smashing plates, to throwing a coin, to buying a tie dye shirt, raffle tickets, fairy floss, cakes, plants and books, playing golf, guessing the Easter eggs and the name of the teddy (which was BASIL) and of course some matchbox car racing!! To finish the night off with some wonderful food, laughs and an auction around the C21 building was great. Once we finish tallying up, we will let you know what we have raised.

I was overwhelmed with how well it all came together, so thank you to everyone involved! There are so many people that I need to thank that have worked so hard behind the scenes doing all the nitty gritty parts, so if I miss anyone my apologies but thank you!

Thank you to the Year 8/9 Home Eco Class for all the food Prep, Staff & Students, Mr Woodfine, Mr Bleicher, Kim Potter, Hamish Lanyon, Steve Lanyon, Brenton Henderson, Greg Boyd, Chris O'Flaherty, Marj Potter, Jacqui Verley and parents that were on a rostered shift, families who supplied an item for the cake stall, plants for the plant stall and **finally my group of Parents' Club – Sherryn O'Flaherty, Nikki Lanyon, Kate Nelson, Varlea McClelland, Kathryn Lanyon, Sarah McNally and Trish Bird, we did it, thank you so much for all your support!!**

The Insurance House raffle was won by Kellie Hare and the Boort Lakes Holiday Park was won by Graeme Chamberlain. The Brojayla Quilt raffle was won by Joy DePiazza.

Thank you to our Sponsors: Boort Grain Co-Op, Boort Amity, Southern Riverlands Poultry, Altora Ag, NDCH, North Central LLEN and the Loddon Shire!

Year 12 Physics Luna Park Excursion.

Year 12 Physics students took part in the annual Physics day at Luna Park last Tuesday. Students were able to experience various rides ranging from the Carousel to the Enterprise, from the Dodgem Cars (not aptly named) to the Scenic Railway (a rollercoaster). They were able to log data including accelerations, get real time data and will continue to work on applying their Year 12 physics to the rides they experienced, to prepare for their upcoming SAC. Thanks to Ms Dussin for accompanying the class. Pictured below are some highlights.

PIC COLLAGE

La Trobe Rural Health Club presentation

On Wednesday 6th March representatives of the La Trobe Rural Health Club (LARHC) visited the school to deliver presentations firstly to the Year 11s and 12s, and then to the Year 9s and 10s. Led by the club's President and former Boort District School student, Ella Lanyon, the sessions included discussing the role of the LARHC and engaging students in a series of hands-on stations. Topics covered included the study of medicine and allied healthcare, and also health literacy and first aid. A strong emphasis was the importance of rural healthcare the need for remote and regional areas to attract and retain healthcare professionals. Students enjoyed playing Kahoots and competing for prizes, and also experiencing hand-on stations that allowed students to experience using a stethoscope, EpiPen and also a knee hammer to test each other's reflexes. Students were able to take a great deal from each presentation, and we thank the LARHC for taking the time to visit Boort District School and speak to 80 of our senior students.

Volunteering your free time to help worthy causes is a really noble undertaking. You won't earn big bucks, but there are plenty of other ways that becoming a volunteer could be of value.

Learn new skills

No matter where you decide to volunteer, there will always be an element of training. Plus there's skills that you might not even realise you're working on, like communication, team work, independence, problem solving, and customer service – the list goes on.

Give your resume a boost

Showing commitment to community efforts, or any kind of voluntary work, will speak volumes about your personality. If you're happy to keep showing up without getting paid, you must be dedicated and motivated; all qualities that universities and future employers will look favourably on.

Form connections and networking contacts

Volunteering could introduce you to people you wouldn't have met otherwise. Those people could become friends, mentors, or your inspiration. The more you get involved with projects outside your school, the wider you're casting your net.

Personal development

- Increase your confidence
- Learn to communicate more effectively
- Become a better listener
- Learn about your personal strengths and weaknesses
- Be more aware of/active about social issues

Positive impacts on your health

Studies have shown that volunteering could contribute to improved mental and physical health.

Start by having a look around your local community and find out what Volunteering options are available to you!
